

## **SERVICE TECHNICIAN**

We are seeking an experienced service technician to fill a position in our growing service department.

Candidate must:

- Have a minimum of one year working experience on either automotive or marine engines, marine engines experience is preferred;
- Have basic set of tools;
- Work efficiently while maintaining a clean work environment;
- Be a team player;
- Have a clean driving record;
- Be able to work a rotating Saturday schedule during busy summer months.

To the successful candidate, we offer paid vacation after one year, paid health insurance after 3 months. Pay will be based on experience.

To apply, please call 518-743-8433 or stop by the marina to fill out an application.
