**Participating Merchant Network...** We are working on partnership agreements with some of your favorite merchants. Please visit our website in the future for a complete listing of our merchant partners and exclusive offers available to M&M Performance Club card members.

**The idea behind M&M Performance ...** was developed by it's owners while exploring British Columbia's untamed back country and on October 4th, 1984 they opened their doors as a PowerSports dealer. Since that day M&M Performance has been focused on providing exceptional products and customer service.

Our staff's industry experience and passion for the outdoors makes the dealership one of the most enthusiastic around. M&M Performance remains close to our customers and our staff rides regularly with them.

M&M Performance has established itself as one of the largest PowerSports dealerships in the interior of BC. In addition to selling new and used Motorcycles, ATV's, Snowmobiles and Rangers, we also have a huge selection of parts, garments and accessories to compliment our customers riding experience. Not to mention, we offer finance and insurance solutions and a friendly Service Department, capable of performing all repairs.

Our dealership is proud of our involvement in the community and supports, as well as hosts several events throughout the year in support of local charities.

**M&M Performance is getting more exciting everyday, so stop by and see what's new!**
